

VIRTUAL SECURITY & COMPLIANCE CONSULTING (vSCC)

ACHIEVE PROJECT-DRIVEN FLEXIBILITY

Avertium's Virtual Security and Compliance Consulting (vSCC) assists organizations of all industries in quickly and efficiently tackling key cybersecurity, compliance, and/or product integration projects without hiring additional full-time staff. vSCC combines project-driven flexibility and a diverse set of highly skilled resources to give your organization a cost-effective solution to handle various tasks that would otherwise require outsourcing additional assistance.

Don't let important projects take a back seat to your daily operations. Avertium takes the burden off your hands and advances your information security and compliance posture.

Seamlessly serving as a trusted member of your organization, Avertium takes ownership and leads your projects to completion while working alongside your various internal teams.

vSCC SERVICES

vSCC provides your organization with a central point-of-contact at Avertium with access to the specialized skill sets required to achieve your business goals, accomplish meaningful projects, and mature your security posture. Get the flexibility in hours and resources to protect your critical systems and data without becoming overwhelmed or overburdened. vSCC includes, but is not limited to, the following services:

- » Pen Testing
- » Disaster and Continuity Planning
- » Technology Acquisition
- » Technology Assessments
- » Risk and Compliance Assessments
- » Compliance Remediation
- » Security Management
- » Security Solutioning
- » Strategic Architecture Review
- » Policy and Procedure Development
- » Cloud Security Reviews
- » Cloud Security Implementation

AVERTIUM HAS THE SKILLS YOU NEED, WHEN YOU NEED THEM

OUTCOMES

MORE SECURE

Incorporate tactical project management, clear guidance, and expert resources into a process built to serve your business. Avertium's strategic approach brings clarity and efficiency to the chaos of your cybersecurity landscape.

MORE COMPLIANT

Meet your compliance requirements proactively, get the tools you need to improve your security program, and turn compliance into a competitive advantage.

MORE ROI

Enable internal resources to focus on priorities by leveraging a breadth of external security expertise. vSCC operates in 40-hour increments - giving your business the flexibility it needs to optimize your investments.

WHY AVERTIUM

- ✓ **BUSINESS-FIRST SECURITY:** Get what you need to maximize your security investments and drive tactical action on the ground, all under one roof.
- ✓ **CYBER FUSION PHILOSOPHY:** Deploy Avertium's cyber fusion philosophy with the right combination of innovative technology, field-validated threat intelligence, and resource empowerment to reduce complexity.
- ✓ **HUMAN ELEMENT:** Unburden your security teams with proactive, consultative support that offers clarity, process, and resource continuity.

ABOUT AVERTIUM

Avertium is a cyber fusion and MXDR leader, delivering comprehensive security and compliance services to mid-market and enterprise customers. Our unique "Assess, Design, Protect" methodology addresses and improves security strategy, reduces attack surface risk, strengthens compliance, and provides continuous threat protection. Avertium maximizes customer security investments and enables customers to focus on growth, innovation, and business outcomes, while assuring that their security infrastructure is resilient and adaptive to evolving threats. That's why customers trust Avertium to deliver better security, improved compliance, and greater ROI.
