

Reliable, Secure, High-Speed Business Internet.

In our emerging cloud-computing world, successful business operations benefit from secure anytime access to important files, customer contact information and online applications. Whether you're a large, established business or a startup organization, **Cox Business InternetSM** can help you communicate, research, download and transfer data with confidence and ease.

ENHANCED PRODUCTIVITY Your business receives the speed needed for fast and effective online communication with your customers, prospects and partners.

IMPROVED EXPERIENCE Avoid the hassles of slow connections and lengthy installation times. Unlike DSL, you'll get more consistent service regardless of your proximity to our network.

MORE FLEXIBILITY Choose the Cox Business Internet package that best fits your needs, from Starter to Ultra with scalable features including IP addresses, business-grade email accounts, Online Backup and Security Suite.

SAFE, ANYWHERE ACCESS With **Cox Business Online Backup Powered by Mozy[®]** as part of your Internet service, you receive a secure service that backs up your files automatically, and allows you to restore your files from any location with an Internet connection.

RELIABLE DATA PROTECTION A smart, economical way to protect your data from viruses, spyware, hacker attacks and more. **Cox Business Security Suite Powered by McAfee[®]** helps safeguard your desktops and file servers – with the convenience and ease of maintenance of a single, integrated security service solution.

PROTECTION With a host of business-grade feature offerings, such as **Cox Business Online Backup Powered by Mozy®** and **Cox Business Security Suite Powered by McAfee®**, Cox Business enables business continuity and disaster recovery to help safeguard your business with reliable, proven technology.

SPEEDS Business-grade and designed to suit the needs of your company's operations. Download speeds up to **150.0Mbps*** and upload speeds to **20.0Mbps***

SERVICE LEVEL AGREEMENTS (SLAs) Our industry-leading SLAs demonstrate our commitment to providing your business with the highest level of service and support, or we compensate your business.
